Hi Wendy,

I am on a team that is in the immediate office of the Water Security Division so I have no branch affiliation.

Thanks,

Elizabeth

Hi everyone,

Thanks for participating on the call yesterday! Bill and I thought it would be helpful for our documentation that we compile a listing of staff/offices represented for our Degradation Group.

If you are in the To line, can you reply to this email with your signature block, and (Branch) Office name (if not otherwise included)?

(Those in the CC line, I already have your signature block and Office name... Thanks)

Also if there is anyone that I missed sending this to, please forward. Thanks!
